Databases	Oracle 11g

CERTIFICATIONS:

Oracle Certified Java Professional SE6

EDUCATION QUALIFICATION:

Name of the Degree	Name of the Institution	Board/University	Year of passing	Aggregate (%)
B.Tech (Computer Science Engineering)	CMR College of Engineering & Technology	JNTUH University	2017	78.72
Intermediate (Maths, Physics and Chemistry)	Narayana Junior college	Board of Intermediate Education, AP	2012	91.10
School of Secondary Education	Bhashyam Public School	Board of Secondary Education, AP	2010	86.00

PROFESSIONAL EXPERIENCE

AAA (American Arbitration Association), NY Software Engineer, Zensar Technologies Ltd

Dec 2017 – May 2020

Project Description: The American Arbitration Association (AAA) is a not-for-profit organization in the field of alternative dispute resolution, providing services to individuals and organizations who wish to resolve conflicts out of court, and one of several arbitration organizations that administers arbitration proceedings. The AAA role in the dispute resolution process is to administer cases, from filing to closing. The Association also provides elections services as well as education, training, and publications for those seeking an understanding of alternative dispute resolution.

Roles and Responsibilities:

- Analysis of requirements for new enhancements and impact analysis.
- Preparation of High Level & Low-Level Design documents.
- Played key role in implementation of screens containing huge Task-flows.
- Experience in creating and implementing Application Module, Entity Objects, View Object, View Accessors, Cascading LOVs, Page Fragments and ViewCriteria.
- Development of code as per the business requirements using ADFBC.
- Deployment of applications to WebLogic server.
- Unit testing and system integration testing of the developed code.
- Providing fixes to the issues identified in testing phase.
- Providing production support for the deployed project till it is stabilized.
- Received client appreciations for the projects I worked on.

Technology/Skills/Tools used:

- **Tools:** Jdeveloper 11g,12c (12.2.1.3 & 12.2.1.4)
- **Technologies:** ADF
- **Skills:** Application development
